

## RIMI RIGA MARATHON 2026

### RACE RULES AND REGULATIONS

The following English version of the Race Rules and Regulations is provided solely to aid in understanding. In the event of any conflicts arising about wording, the Latvian original version shall be exclusively binding for all parties involved.

#### 1. GOAL AND TASKS

- 1.1. To promote a healthy, sporty and active lifestyle by increasing the popularity of running and creating a unique and accessible running event in the Baltics.
- 1.2. To make a significant contribution to building the international reputation of Riga and Latvia, raising the prestige and international rank of the Rimi Riga Marathon, as well as promoting a significant flow of international marathon-tourism to Riga and Latvia.
- 1.3. To create a comprehensive platform for a healthy lifestyle, increasing the joy of running in children and young people, involving beginners and uniting business teams and companies.
- 1.4. To determine the best long distance runners, as well as to find out the Latvian champions for adults in the Marathon (42 195m) distance and in the Road Mile (1 609m).

#### 2. TIME AND PLACE

- 2.1. The programme of events for the Rimi Riga Marathon runs on May 16-17, 2026.
- 2.2. On May 16, 2026 Rimi Riga Marathon Kids' Day participants can choose from several courses and distances – course "Happy Babies", "200m", "400m", "Toyota WESS Grand Sprint" (60m) and "DPD mile" (1 609m).
- 2.3. On May 17, 2026 Rimi Riga Marathon participants can choose from 6 distances – Marathon, Half-marathon, "Signet Bank 42 km Relay", "Signet Bank 21 km Relay", "10 km" and "6 km".

#### 3. ORGANISERS

- 3.1. The Rimi Riga Marathon is being organised by SIA "Nords Event Communications", reg.no. 50003981501 (agency "NECom") in cooperation with Riga City Council and Latvian Athletics Federation.
- 3.2. The main partner of the Rimi Riga Marathon – Rimi.
- 3.3. The Rimi Riga Marathon is a World Athletics Road Races label holder.
- 3.4. Rimi Riga Marathon is the Latvian Marathon Championship and the Latvian Road Mile Championship.

#### 4. DISTANCE AND TIME CONTROL

- 4.1. The course is through Riga city centre and is measured according to Association of International Marathons and Distance Races (AIMS) regulations.
- 4.2. The length of the Marathon distance is 42,195 m, the Half Marathon is 21,097.5 m, and the 10 km distance is 10,000 m. The "Signet Bank 42 km Relay" is divided into four stages, and the "Signet Bank 21 km Relay" is divided into two stages. The 6 km distance is planned to be 5,690 m long. Participants will also have access to the "DPD Mile" (1,609 m) and the "Toyota WESS Big Sprint" (60 m), as well as children's races for participants up to 12 years of age — "Happy Mazuļiem", 200 m, and 400 m distances.
- 4.3. The course maps can be viewed at [www.rimirigamarathon.com](http://www.rimirigamarathon.com), but the organizers reserve the right to change the distance locations in the city by informing the participants before the race.

- 4.4. The course surface for all distances is ~99 % asphalt and ~1 % cobbled.
- 4.5. During the race, the course is closed to transport, controlled with the help of the services responsible within the city of Riga.
- 4.6. Times are set with the help of electronic timing microchips which are attached to each participant's race number for Marathon, Half-marathon, "Signet Bank 42 km Relay", "Signet Bank 21 km Relay", "10km", "6 km", "DPD Mile" (see section 14 for conditions of use). Kids' Day participants up to the age of 12 running the course "Happy Babies", "200m" and "400 m" courses take part without time control.
- 4.7. The time limit for the Marathon and "Signet Bank 42 km Relay" distances are 6 hours, 3 hours for the Half-marathon and "Signet Bank 21 km Relay", 2 hours for the "10 km" distance, 1 hour 30 minutes for the "6 km" distance and 30 minutes for "DPD Mile".
- 4.8. The time limit for the Marathon, Half Marathon, "Signet Bank 42 km Relay" and "Signet Bank 21 km Relay" distances means that participants must manage to complete certain stages by a certain time in order for the transport to be restored in the city. Control points and their associated cut-off times will be announced simultaneously with the announcement of start times by February 28, 2026.

## 5. START ORGANIZATION

- 5.1. Rimi Riga Marathon start organization rules will be announced before the event, informing participants via the event website, Regulations and e-mail provided in the registration form.
- 5.2. Refer to section 13 of the Rules and Regulations for the conditions of registration for athletes from Latvia.
- 5.3. The international elite program of Rimi Riga Marathon works only with managers accredited by the World Athletics. Exceptional cases of participation in the international elite program can be found out by sending a request to [marathon@necom.lv](mailto:marathon@necom.lv).

## 6. PARTICIPANTS

## 7. REGISTRATION FOR THE EVENT

- 7.1. Registration for the Rimi Riga Marathon "Marathon", "Half Marathon", "10km", "6 km", "DPD mile" and "Toyota WESS Grand Sprint" distances is opened for registration on June 19, 2025. "Signet Bank 42 km Relay" and "Signet Bank 21 km Relay" registration is open from December, 2025. Registration for the Kids' Day distances will be open in February, 2026.
- 7.2. Registration can be completed electronically on the Rimi Riga Marathon website [www.rimirigamarathon.com](http://www.rimirigamarathon.com) up to May 16, 2026 at 20:00.
- 7.3. Registration for the Rimi Riga Marathon "Signet Bank 42 km Relay", "Signet Bank 21 km Relay", and participation virtually is open until April 30, 2026.

7.4. Registration can be completed personally by the participant or by an authorised person fully independent and with legal capacity (contact person) if a team is registered. The team's authorised person, when registering team members, confirms that they have informed each registered participant of the rules set out in the regulations (showing the team members these regulations), especially those regulations regarding the participants' health and safety (see section 18). If the team includes a minor, section 6.2 of these regulations applies, including those regarding the care, supervision of and responsibility for the minor during the Rimi Riga Marathon.

7.5. When registering for the Rimi Riga Marathon, the following data for each participant must be submitted: name, surname; date of birth; phone number; email address; chosen distance; and team name if the participant is running as part of a team. The remaining questions in the registration form are optional. "Privacy regulation" among other things describes the personal data procession procedures for the organizing, provisional and up-keeping purposes and is published on [www.rimirigamarathon.com](http://www.rimirigamarathon.com). By registering for the Rimi Riga Marathon, each participant also agrees for the further processing of previous years' results.

7.6. A participant will receive a confirmation of successful registration at the time of registration, while each participant will receive a letter with the assigned race number and start time after April 1, 2026, to the email address provided in their application form.

7.7. Start numbers with their name and assigned start number will be printed for all participants who register for the Rimi Riga Marathon by April 1, 2026, when registering for the Marathon, Half marathon, "10 km", "6 km" and "DPD mile" distances.

7.8. Mistakes and errors submitted in the registration process, including date of birth and team name, can be amended up to the May 10, 2026, directly in the registration accounts.

7.9. Condemning Russia's aggression in Ukraine, Russian and Belarusian runners will not be able to register for the Rimi Riga Marathon.

## 19. HEALTH AND SAFETY

19.1. By registering for the Rimi Riga Marathon and starting their race, each participant takes full responsibility for having a suitable health condition for their chosen distance. If the race is run by a minor, then the person who has undertaken to provide care and supervision of the minor(s), as well as taken responsibility for the minor(s) during the Rimi Riga Marathon, is responsible for the suitability of the health condition of the minor(s) for their chosen distance.

19.2. Race organisers recommend that everyone, especially marathon and half-marathon participants, consult their doctor on their health condition before running their chosen race.

19.3. Race organisers recommend that marathon and half-marathon participants begin training well in advance or at least 12 weeks before the event, and are responsible for their readiness to complete their chosen distance. In case of insufficient training, we invite participants to change their distance by the 11<sup>th</sup> of May 2025 to a shorter one (see section 9.)

19.4. The Rimi Riga Marathon is open to Nordic Walkers and participants with the strollers, but the time limit on the course must be observed.

19.5. The Rimi Riga Marathon organisers are not responsible for potential injuries or health issues sustained during the Rimi Riga Marathon.

19.6. Emergency health care will be available in the start and finish zone as well as along the course. Participants are invited to check the positioning of medical services on the maps available on the official web page before the race. If emergency medical help is needed, participants can go to energy point workers for help, who will contact the emergency services.

19.7. When asking the emergency medical service for help during the race, participants must respect the medics' orders on their suitability for completing the race.

19.8. After finishing, participants may require a doping test in accordance with regulations of the World Athletics. If the doping test reveals a positive result, the participant will be disqualified. No award money will be paid before the official doping test results are made available to the organizers.

19.9. It is forbidden to accompany participants during the race by bike or roller skates, excluding the accompanying bicycle escort for the leader group in each distance and other marked bicycles approved by organisers. Cyclists who are on the course without the organizers' signs will be warned by the Riga City Municipal Police and there is possibility that a protocol with the imposition of an administrative fine is presented to the cyclists.

19.10. Participants and supporters are not allowed to take their dogs to the race venues and locations.

19.11. For safety, organisers do not allow participants to use headphones to listen to music while being on the course.

## 20. DISQUALIFICATION

20.1. The base principle of the marathon and half-marathon is fair play. All participants who are caught in unfair play and don't run the full distance will be disqualified. The basis for checking is the time fixed at the course and finish control points.

- 20.2. Applications by other race participants can also be the basis for disqualification, which are checked by the course control point fixed times.
- 20.3. Participants can be disqualified for reasons other than mentioned above, including racing with a number registered to another participant, positive doping results, ignoring referee orders and other reasons.

## **21. COMPLAINTS**

- 21.1. Complaints on the race run are accepted up to 2 hours after the participant finishing. Complaints will be reviewed by the head referee straight away.
- 21.2. All complaints on results are accepted in writing to [marathon@necom.lv](mailto:marathon@necom.lv) within 24 hours of them being published on the Rimi Riga Marathon website. Complaints are reviewed within 7 days of being received.

## **22. EVENT INFORMATION**

- 22.1. All information on the Rimi Riga Marathon for participants from the organisers is published on the official website.
- 22.2. Information on updates and changes to the event, where possible, will be given using public announcements being sent to media representatives, announcements on our social media accounts, as well as by sending electronic notifications to all registered 2026 participants.

## **23. CHANGES TO RACE REGULATIONS**

- 23.1. Organisers have the right to make changes and updates to the regulations. Participants will be informed of regulation changes through the official website.
- 23.2. More information: [www.rimirigamarathon.com](http://www.rimirigamarathon.com), or by email [marathon@necom.lv](mailto:marathon@necom.lv).
